**Certified Product : Superstresscem® Special Grout**

In compliance with Regulation 305/2011/UE of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that :

the Superstresscem® Special Grout  
produced by Eqiom

has been submitted to the initial type-testing and that the manufacturer performs the continuous surveillance of the factory production.

The Notified Body ASQPE has realized the initial inspection of the factory and has controled the factory production continuous surveillance. This certificate attests that all provisions concerning the attestation of the factory production described in the ETA-07/0269 were applied and that the product fullfills all the prescribed requirements.

This certificate is issued on 31 of January 2016 and, except withdrawal or suspension, remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions of the factory or the FPC itself are not modified significantly.
